ORDER

JESSE M. FURMAN, United States District Judge:

Yesterday, the Court denied New GM's motion to dismiss with prejudice the claims of Plaintiff James Kirk Solomon and granted Mr. Solomon's motion to vacate his earlier dismissal without prejudice, believing him to have cured the deficiencies in compliance with his MDL discovery obligations. (*See* 14-MD-2543, Docket No. 2230). New GM has since informed the Court that it has not received the required certification from Mr. Solomon. It is hereby ORDERED that New GM may renew its motion to dismiss Mr. Solomon with prejudice if, **within fourteen days from the date of this Order**, he has not filed the necessary documentation in a format that is accessible to New GM. Any opposition is due two weeks after the motion, and any reply is due one week after that.

SO ORDERED.
